

Community Service Grant Fund Policy

WOSU Public Media receives federal funding through an annual Community Service Grant from the Corporation for Public Broadcasting. It is WOSU's policy to expend Community Service Grant (CSG) funds in accordance with the requirements of the Corporation for Public Broadcasting and generally accepted accounting principles. Under current CPB policy, WOSU can use CSG funds for one of seven categories of expenses:

1. Programming and Production;
2. Broadcasting, Transmission and Distribution;
3. Program Information and Promotion;
4. Fundraising and Membership Development;
5. Underwriting and Grant Solicitation;
6. Management and General; and
7. Purchase, Rehabilitation or Improvement of Capital Assets.

This policy applies to all station staff who may oversee, expend or account for WOSU's Community Service Grant funds. No CSG funds are used by WOSU for purposes not allowed by CPB.
